

Making a Difference

These images continue to be the harsh reality for many living in Korah, but for our *Hope for Korah* (HFK) families scavenging through the trash has become a part of their past. When you **STAND WITH KORAH** you help to make HOPE HAPPEN! Together we can make a difference and continue to come alongside destitute families, helping them to break the cycle of poverty through HFK's Family & Child Sponsorships, our Berta Breakfast Program for Malnourished Children, First Aid Clinic, Income Generation Program, Literacy & Numeracy Education, Self Help Groups, Elders' Home for Lepers, 'Yedesta Gibi' Home for Vulnerable People, HFK Kindergarten and Day Care, Benefit Souk/store for Families, Bible Studies, Boys and Girls Soccer, After-School Tutoring, Youth Activities and other HFK Programs.

HOPE
for **KORAH**

Invites you to
join us and

**STAND WITH
KORAH**

What Hope Looks Like

Wahle and her daughter used to sit, begging on the streets of Korah. Wahle has limited use of her hands and legs, and this was their only means of survival. They slept on the dirt floor in the corner of a dilapidated hut. Every day Wahle lived in despair, fearing for her child and their future (Cover). **TODAY her life has changed! Wahle has HOPE!!** She is sponsored through Hope for Korah (HFK) and receives holistic support including food and medical care. Wahle and her children take part in our many programs while living in a safe and loving community; HFK's "Yesdesta Gibi" meaning *House of Joy*. We opened this compound in 2015 (top right) and it is home to a number of vulnerable families and orphans, all struggling with significant disabilities and medical issues. Wahle's life and many others are being transformed by the HOPE God brings through those who have generously chosen to **STAND WITH KORAH.**
